**SIMPLE PROGRAM DESIGNED  
FOR NDIS PARTICIPANTS  
WHO LOVE TECHNOLOGY**

**HILLS & WESTERN SYDNEY**

PHONE: 1300 323 399

This is an interesting program activity for NDIS Participants who love technology. This program aims to be specifically catering for the needs of people with Disabilities.

We have developed this program at three different skill levels to meet individual needs based on their learning ability. it is designed in a way that it is easy and simple for people with disabilities to learn and develop their hobby in to a skill.

The Activities will cover –

- Designing arts and graphics using online platforms
- SEO and how SEO works with google and other search engine optimisation basics
- Basics of Social Media such as Facebook, Instagram & LinkedIn
- Basics of Blogging including Idea generation to posting
- Basics of Website platforms, Domains and how to sign up and start a website

There are three levels within each activity for each individual to be enrolled in -

Level 1 – Know very little about computers

Level 2 – I am quite ok with computers

Level 3 - I am good with computers

The sessions will run as a group activity in Hills and Western Sydney area

A Computer is required on the day, if you do not have your own Computer available please let us know during the time of enrolment.

Due to **Covid 19** restrictions the number of spots will be limited to 10 people per session only.

This skill building activity support can be funded from the NDIS plan of the participant under the following two categories –
